Experience Conversa•NT with Moda 10A BTE

Convesa•NT

Great conversations begin with Conversa•NT

Discover Convesa•NT, our new advanced performance digital with advanced features including noise reduction, speech enhancement and adaptive directionality.

Convesa•NT Moda BTE

Total Style, Total Performance

Experience Moda – the ultra small open 10A BTE. Moda features adaptive directionality, multiple programs and a slim tube open fitting or standard earmold which provides you the flexibility to fit more patients.

Stop by Unitron Hearing Booth #1411

Receive a Free Moda BTE replica and experience this stylish open 10A BTE for yourself. Don't forget to register to win a new Vespa® ET-2. We call it a "Moda Scooda".*
